

Yuki's Rescue Volunteer Agreement, Waiver and Release from Liability

In order to volunteer with Yuki's Rescue, you must sign this Volunteer Agreement, Waiver, and Release from Liability. Please read this document thoroughly and carefully, and feel free to ask any questions you might have.

As a volunteer for Yuki's Rescue, I voluntarily agree to release, discharge, indemnify and hold harmless Yuki's Rescue, its officers, directors, the City of Alameda, and other volunteers from any and all claims, demands, losses, costs/expenses, liabilities, injury to my person, damage to my personal property or any other damages arising while performing as a Yuki's Rescue volunteer. This waiver extends to all such activities, including, but not limited to, off-site activities such as fairs, festivals, school programs, etc. I hereby release, discharge, and hold harmless Yuki's Rescue and its agents from all claims while acting as a volunteer. By my signature, I indicate that I understand that this release is intended to discharge, in advance, Yuki's Rescue of any of its agents for any cause of actions, even though liability may arise out of negligence or carelessness on the part of personnel or Yuki's Rescue. In addition, my signature grants Yuki's Rescue authority to treat any minor injuries that might occur while performing volunteer duties for Yuki's Rescue, and Yuki's Rescue will not be liable for the costs associated with any further medical treatment.

All volunteers are recommended to have an up-to-date tetanus vaccination for health and safety reasons. I understand that it is up to me to discuss this with my personal physician, and it is my decision whether to have the vaccination.

Volunteer work is performed at the rescue site or at off-site events and might require standing for extended periods of time as well as the ability to grasp and turn objects, operate computer keyboards, bend, kneel, and squat. Some roles require the ability to occasionally lift up to 25 pounds and/or move items up to 50 pounds. Volunteers might be exposed to dust, pet dander, cleaning products and outdoor weather. The physical demands described here are representative of those for a volunteer to successfully perform the essential

functions of their volunteer position. Reasonable accommodations might be made to enable individuals with disabilities to perform the essential functions.

As a Yuki's Rescue volunteer, I agree to the following: (please initial each line)

_____ Attend all volunteer orientations and required training, and to follow all protocols and procedures.

_____ Promptly advise Yuki's Rescue of any changes of personal information or when I will not be able to volunteer during my assigned shift.

_____ I understand that there is a possibility that a background check might be completed prior to my starting as a volunteer for Yuki's Rescue and that I will need to supply a copy of my driver's license or state ID.

_____ I understand that am not authorized to represent Yuki's Rescue in any official capacity to the media, government bodies, or third-party vendors.

_____ **For safety reasons, I agree to not use my cell phone for personal use or wear headphones while volunteering.**

____ I understand that I may be photographed while volunteering with Yuki's Rescue.

____ **I understand that Yuki's Rescue reserves the right to reassign volunteers whose skills are not suited to the task they have chosen.**

____ I understand that I might be removed from the program at the will of Yuki's Rescue and that I may discontinue my participation at any time for any reason.

____ I understand that by working in a rescue environment, I might be exposed to viruses and zoonotic diseases that are transferable from animals to people.

____ I understand that public relations are an important part of volunteering with Yuki's Rescue, and I agree to allow Yuki's Rescue to use all photographic images and video/audio recordings made of me in connection with activities conducted by Yuki's Rescue to be used solely for program documentation and/or publicity purposes.

____ All Yuki's Rescue records and information relating to Yuki's Rescue (including customers, volunteers, and donors) are confidential, and volunteers must, therefore, treat all matters accordingly. No Yuki's Rescue or Yuki's Rescue-related information, including without limitation, documents, notes, files, records, oral information, computer files, or similar materials (except in the ordinary course of performing duties on behalf of Yuki's Rescue) may be removed from Yuki's Rescue premises without permission from Yuki's Rescue. Additionally, the contents of Yuki's Rescue records or information otherwise

obtained regarding business may not be disclosed to anyone, except where required for a Yuki's Rescue business purpose. Volunteers must not disclose any confidential information, purposefully or inadvertently through casual conversation, to any unauthorized person inside or outside Yuki's Rescue. Volunteers who are unsure about the confidential nature of specific information must ask the Volunteer Coordinator for clarification. Knowingly, or unknowingly revealing information of a confidential nature violates Yuki's Rescue policy.

I have read and agree to the above:
