NO WARRANTIES OR AFFIRMATIVE REPRESENTATIONS: Yuki’s Rescue does not make any guarantees, provides no warranties, and can provide no affirmative representations with respect to the health, temperament or training of the Dog.

VETERINARY CARE: All dogs will come neutered/spayed (unless too young and will have to be brought back), chipped and vaccinated with the recommended vaccinations appropriate for their age at the time of adoption. Adopter(s) are encouraged to provide training for the Dog.

HOLD HARMLESS AGREEMENT: Each undersigned Adopter, separately and/or jointly, also releases and holds harmless Yuki's Rescue and its officers, agents, employees and volunteers from any claims, damages or actions incurred as a result of Adopter's adoption of the Dog or caused by any action of the Dog. Each Adopter also indemnifies Yuki's Rescue for any liability, damages, attorneys' fees, or other injuries that Yuki's Rescue incurs, related to the Dog or this Agreement. Each Adopter shall pay to Yuki's Rescue any and all of their expenses incurred in enforcing this Agreement or any litigation arising out of this Agreement, including attorney's fees and legal expenses.

FORUM SELECTION: This Agreement is governed by the laws of California, and in the event that a suit is brought by any party or parties to this Agreement, such suit shall only be brought in the State of California, County of Alameda.

BINDING NATURE OF AGREEMENT: Adopter(s) have read and understood the information in this Agreement and Release and agree to abide by the terms set forth herein. Adopter(s) understand that this Agreement is binding on all parties and that noncompliance with any of the terms of this Agreement may result in legal action and seizure of the Dog.

ADOPTION FEE: Adopters(s) understand that the adoption fee of **\$450** made today to Yuki's Rescue will become part of its general funds to pay the necessary fees and other expenses of animals that it rescues and is non refundable. Yuki's Rescue relies entirely on donations to save and rehome animals that are at risk. More than 50% of our budget is spent on medical care ranging from \$400 to \$2000+ per animal. If you are able to give more, we would be grateful, as it enables us to save more! And this donation would be tax deductible (not the adoption fee itself).

LIABILITY AND GOOD FAITH: Adopter(s) understand and agree that, as of the date of this agreement, Yuki's Rescue has no further financial or legal liability as relates in any way to this animal, including, but not limited to any damage to person(s) or property, or medical or other expenses. Also adopter(s) have been allowed sufficient time to consider the terms of this Agreement, and all parties enter into it in good faith and willingly.
